

Financial Resource Management, Inc. Celebrates 30th Anniversary

Financial Advisors Support Clients across NC and in other states

RALEIGH, N.C. (September 8, 2015) – [Financial Resource Management, Inc.](#) is celebrating 30 years of providing financial planning services to clients. With more than 750 clients located in North Carolina and 28 states, Financial Resource Management has been helping clients solve complex financial issues and reach financial goals since 1985.

People across North Carolina benefit from Financial Resource Management's expertise weekly through two different radio shows broadcast over much of the state. Founder and certified financial planner Greg Hicks and Wanda Cooper can be heard throughout the Triangle and the Triad on [WTKK 106.1 FM](#) on Saturdays at 2PM. Mr. Hicks and Emily Guthrie can be heard across Eastern North Carolina and along the Crystal Coast on [WTKF 107.1 FM](#) on Wednesdays at 7:30AM on the Coastal Daybreak Show.

"There have been many changes in business in the past 30 years, but we're passionate about maintaining the same absolute dedication to personal and attentive client support that we've had for now for three decades," said Greg Hicks, founder and president of Financial Resource Management. "Our team is committed to providing unbiased direction and practical expertise to help clients navigate the complicated world of investments as well as tax, retirement and estate planning."

Greg Hicks began his financial career in Raleigh in 1985 and founded Financial Resource Management shortly thereafter. The company expanded with a location in Greensboro in 1991 that he manages with the help of experienced advisor Wanda Cooper. In 2001, Financial Resource Management expanded again in Morehead City by hiring another talented advisor, Emily Guthrie. The Financial Resource Management team includes five other experienced administrative personnel.

About Financial Resource Management [Financial Resource Management](#) offers a complete range of financial investment and planning options including: retirement income planning, estate planning, insurance, investment strategies, IRA rollovers, mortgages and refinance, real estate investing, retirement plans for small and medium businesses, and tax savings strategies. Financial Resource Management is headquartered in Raleigh, NC and has locations in Greensboro, NC and Morehead City, NC.
